Congratulations on your new furry addition!

As a token of our appreciation for saving the life of a homeless animal, the staff at Tails n' Tubs would like to offer you a FREE Self Serve Dog Wash.

Just come in (no appointment necessary) within 30 days of your adoption and we'll help you start off on the right paw as you strengthen your loving bond with your new four legged friend. Everything is included from professional quality shampoos, conditioners, brushes, towels, dryers, and more!! If this is your family's first dog, our staff will even show you the easiest way to wash and maintain your pet to make sure the process remains fun and stress-less for everyone. We even offer full service grooming from our award winning groomers with over 38 years experience!*

So come on in and make a mess, We'll do the rest!

No appointment is necessary for self serve, but we do require one for our full grooming service.
